Task Force Laser Tag
ANOTHER FUN PRODUCT FROM THE BUBBLE ROLLERS.COM

Be ready for your Synthetic Ice Skating event by The Bubble Rollers and Emerald Isle Entertainment Inc.

1) If you have not already done so, please sign and return the event agreement with your deposit.
2) We need about 40ft X 40ft (or 10ft more than the size of your booked Rink) of very level, even unobstructed non-abrasive surface area with easy access. If you have any obstacles or debris in the area, please remove prior to our arrival. The rink is very heavy and we cannot bring up steps or hills. We need to be able to drive right to setup location with our trailer. We cannot operate on grass, dirt, uneven concrete or tarmac, plush carpet or any surface that has bumps, debris or imperfections. The rink needs to lay on completely flat surface only.
3) You will need to print out our waiver and have a waiver signed for each person participating.
4) Polite and friendly team member(s) will arrive at the agreed time. We will arrive approx. 60-240mins before the event to setup (depending on Rink size) and will be around for approx. 60-120mins after the event to teardown. We will need lights and electric power for the full duration.
5) Please have the area in which we are to operate clean and free of all objects/debris/ waste etc. If the area is not clean on arrival, there will be an extra charge incurred and we may not be able to operate.
6) There are absolutely no street shoes, sharp objects, food or drinks allowed inside the rink area.
7) No one under the influence of Drugs or Alcohol or who is suffering from any medical condition that could cause a danger to themselves or others will be allowed to participate. Participants should only participate if they are healthy enough to do so. All participants and on-lookers must follow all instructions and listen to the crew member's instructions. Anybody acting in an unsafe or disruptive manner will not be allowed to participate.
8) We request access to 1 X standard 110v power outlets and a hose bib for water if possible.
9) Safety is our primary objective and your co-operation in ensuring the safety of all guests is appreciated. We do not always supply fencing. If you require fencing, you will need to supply us with that unless agreed previously.
10) Ice Skating can be dangerous and patrons participate at their own risk. We are not responsible for any injuries, loss, damage or mishaps that occur while on the rink or while in the changing area or surrounding areas.
11) Tips are not essential but are graciously accepted by the team members who work very hard to make it a fun event for all.
12) Enjoy your Ice Skating event brought to you by Emerald Isle Entertainment Inc., Task Force Laser Tag and The Bubble Rollers.☺
