ANOTHER FUN PRODUCT FROM THE BUBBLE ROLLERS.COM

1) If you have not already done so, please sign and return the event agreement with your deposit.
2) We need about 40ft X 15ft of level unobstructed level non-abrasive surface space **per section** with easy access to operate. If you have any obstacles or debris in the area, please remove prior to our arrival. The arena is very heavy and we cannot bring up steps or hills. We need to be able to drive right to setup location with our trailer.
3) You will need to print out our waiver and have a waiver signed for each person participating.
4) 1-2 polite and friendly Task Force Laser Tag/Bubble Rollers™ team member(s) will arrive at the agreed time. We will arrive approx. 30-60mins before the event to setup and will be around for approx. 30-60mins after the event to teardown. We will need lights and electric power for the full duration.
5) Please have the area in which we are to operate clean and free of all objects/debris/ waste etc. If the area is not clean on arrival, there will be an extra charge incurred and we may not be able to operate.
6) There are absolutely no sharp objects, food or drinks allowed inside or near the playing area.
7) No one under the influence of Drugs or Alcohol or who is suffering from any medical condition that could cause a danger to themselves or others will be allowed to participate.
8) Participants should only participate if they are healthy enough to do so. All participants and on-lookers must follow all instructions and listen to the crew member's instructions. Anybody acting in an unsafe or disruptive manner will not be allowed to participate.
9) We require access to 1 X standard 110v power outlets (20A) within 100ft **per section**. If no power is available we will not be able to inflate the arena and operate the equipment. If you need us to supply a generator a surcharge of $100 per generator will apply.
10) The equipment can be damaged easily if abused so please assist us in having the participants respect the equipment. Please also assist us in keeping the children/adults away from the playing area if not participating and from touching the equipment and arena. Safety is our primary objective and your co-operation in ensuring the safety of all guests is appreciated. We do not supply fencing. If you require fencing, you will need to supply us with that.
11) The party can be extended by 30 minutes for an additional $125.
12) Tips are not essential but are graciously accepted by the team members who work very hard to make it a fun event for all.
13) Enjoy your Radical Run Obstacle Course event brought to you by Task Force Laser Tag and The Bubble Rollers.☺
